THIS IS WHAT OUR FAMILIES HAD TO SAY...

“Party was so easy to book and everything leading up and including party was wonderful. Loved every second! From the staff to the activities, to the facility... I can't say enough great things about the party!”

“I had my daughter's birthday party at Maplewood. It was the first party I didn't have to worry about doing anything except for sending the invites and getting the cake. I was very impressed. They provided everything else. They set-up, cleaned-up and brought the gifts to the car. It was very organized and the kids had a blast.”

“Unlike most of the other party places, the parties at Maplewood seem a little slower. They will address your child by name, and there is a lot of staff. They are flexible...does not have the same birthday party factory feel of the other places.”

“We had such a great experience at our daughter's party, as we knew we would after attending one of her friend's parties @ Maplewood. The staff goes above and beyond to make everything run smoothly and efficiently. I can't recommend Maplewood enough to my friends & family!!!!”

“We had a great time at the birthday party. Everyone participated in the activities (even the grown-ups) and we had tons of fun. All of the staff members were so friendly and helpful. Thank you so much for making it such a stress-free pleasant day!! The staff was great. They were genuinely interested in the kids and engaged with them. I was impressed. They do Everything!”

“The staff was amazing and made the party so special. We've done several parties at different places, and have never had a staff who were so engaging with all of the kids, I realized how much fun that makes the party. The staff went well above my expectations! All of the parents who stayed were extremely impressed.”

“I could NOT have asked for a better Birthday Staff!! From meeting me at the door/ to helping me carry things out to the car. The whole experience was amazing!”

“We had a wonderful experience at Maplewood. Anna loved her birthday and the activities were perfect. Thank you for all your work to make it a wonderful birthday for her.”

“We loved Maplewood for my son's 6th Birthday. He was given the options of what activities he wanted. Also, the reptile person came to the party. That was a bonus hit with the kids. I love that it's a different special guest each month.”
