"Love this place! We're on our 4th year here at Summer Camp and have held 2 Birthday parties here too! The staff are wonderful, friendly and accommodating. This camp offers everything you'd expect from a real camp! Boating, fishing, archery, swimming and the list goes on! Great camper to counselor ratio too! 5 stars from us!" - Lori M.

"My four-year had an incredible time as a first-time camper! I was constantly amazed each day as she came in and there were new extra things for her to participate in like pony rides, tie dye days, scavenger hunts, animal petting, etc... She really had a blast!" - Lisa E.

I can't say enough positive things about Maplewood. The camp is fabulous! My son is attending for the first time and he had a few struggles at first. Lee called me every night until the issues were resolved. Considering all of the kiddos that attend on a daily basis, I was pleasantly shocked to have this personal customer service! The staff, directors, teachers all genuinely care about their campers and it shows. The place is top notch in my book on all accounts - communication, safety of the kids, variety of activities and experiences for the campers, daily pictures of the kids in action, weekly newsletters personalized to the group that your child is in....just awesome! My only con is that I didn't get to attend when I was a child. - Kristi S.
