My daughter loved camp and can't wait to get back. I loved receiving daily emails with pictures and seeing her activities throughout the day. Swimming was one of her biggest achievements and she nearly learned to swim. We were thrilled. My husband and I really feel that the camp is run well. We felt assured that she would be cared for and kept safe in the water and throughout the day. - Alyssa R.

*Wonderful. My son's first camp experience (at age 3) was nothing but positive. He enjoyed all aspects of the program- from the bus ride to gymnastics to boating. We were particularly impressed by the swimming lessons which completely changed his attitude toward the water in just a few sessions. He can't wait to return!
- Jennifer H.*

My son has been attending MAPLEWOOD programs for the past 5 years, from fitness classes, summer camp, and after school programs. We have loved every minute! I couldn't ask for more, from the quality of the teachers and counsellors, to the variety of activities. My son has tried so many things because of the encouragement he has received at MAPLEWOOD. I can't imagine a better place, I feel very lucky to have MAPLEWOOD! - Irene B.

Maplewood has been the best experience for my son over the past 4 years. Thank you to Lee and Sue and to all the staff for making my sons experience so wonderful!!!! - Danielle P.
